

CUBEX® QBud

Automating manual processes is essential to keeping costs contained. QBud is our supply room solution that automates processes and integrates usage information to help improve inventory accuracy, availability and refill efficiency.

Bet on Your QBud

Accurate Monitoring

Tracks supply usage and automates reordering

Increased Efficiency

Reduces manual processes

Closed-Loop Management

Integrates with practice management software

Billing Accountability

Improves charge capture and invoice reporting accuracy

Designed with features that promote compliance and efficiency, QBud is a fast, simple way to save time and manage your inventory automatically. It puts the CUBEX® Inventory Management Assistant anywhere in your practice, from the front desk to the back stock room. QBud is perfect for making sure CUBEX® is where you need it.

Smart Subscription Program

- ✓ Flexible solution bundles
- ✓ No upfront capital investment
- ✓ Complete warranty & 24/7 support
- ✓ Onsite installation & training
